Non for Profit aims to help navigate the homeless through the most challenging part of their lives.

ST. LOUIS, MISSOURI, MARCH 8th, 2024

Beginning as a humble and passionate idea in North City St. Louis, Missouri, Socks 4 St. Louis provides the less fortunate with some of the small things that makes the biggest difference.

"I have firsthand seen members of my community struggle to keep warm in our harsh St. Louis Winters as well as our Summers" says Archie Wayne III, founder of Socks 4 St. Louis.

"Rather it's it a fresh pair of socks, to a winter coat to a flashlight for their tent, a snack or even a battery-operated handheld fan for the heat, we want to help in any way that we can knowing how tough this part of their journey through life is. We are also collaborating with local pantries and churches to make sure our care packages reach whoever needs them; this is something that we are very proud of." If you would like to donate or learn more about Socks 4 St. Louis and/or to donate, give them a call at 314-361-9709.
